KDE Employment Report

Applicable Statute or Regulation:

KRS Chapter 18A, KRS 156.017, House Bill 502 (Budget Bill-2000 General Assembly), executive order 96-612, House Bill 727 (1998 General Assembly)

History/Background:

Existing Policy. The Kentucky Board of Education authorized a minimum 10% minority employment goal for the Department of Education in 1994. In addition, the targeted hiring goal for minority employment in all state government is 10% based on the 2000 census data for Kentucky.

The Department of Education's minority employment goal is consistent with the Kentucky State Government goal and is designed to: 1) provide equal opportunities for recruitment and selection at all levels of the department; 2) mirror the student population of Kentucky's schools; and 3) provide for a multi-talented and diverse workforce that can provide quality leadership and professional services to local school district administrators, teachers, parents, students and citizens.

- The Kentucky Department of Education, as of the close of business, December 31, 2011, employed 526 full-time employees. (464 non-minority employees/88.2% and 62 minority employees/11.8%)
- The department's Frankfort-based, full-time work force of 311 employees includes 277 non-minority employees/89.1% and 34 minority employees/10.9%.

During the two-month period from November 1, 2011 – December 31, 2011, there were:

- 9 appointments
- 9 separations from employment
 - 3 separations from support positions
 - 6 separations from professional positions
 - 0 separations from leadership positions

During the two-month period from November 1, 2011 – December 31, 2011, there were:

- 21 positions for which interviews were scheduled
- 1142 applicants who expressed an interest in, via self nomination, those positions
- 219 qualified candidates selected to interview for those positions by the supervisor/manager in the office/division and contacted by Human Resources

The following notations are designed to provide clarification for the preceding statistics:

- All KDE positions are advertised on the KDE website and all positions that require a merit register are posted on the Personnel Cabinet website for 10 days.
- KDE's internal policy requires an interview panel of a minimum of three (3) people, 1 of whom must be a minority, and a minimum of three candidates must be interviewed.
- KDE's hiring process is subject to and in compliance with Personnel Memo 08-18 that requires the employing agency to offer the opportunity to interview to a minimum of five (5) identified veterans listed on the certified register list. If there are fewer than five (5) identified veterans, then the employing agency shall offer an opportunity to interview to all identified veteran applicants.
- Per Personnel Memo 08-21, the Personnel Cabinet does not provide information pertaining to an applicant's race, gender, or national origin on the certified register list nor is information available on the candidate's application for employment. This is to ensure compliance with the Equal Employment Opportunity Commission.
- The Kentucky Department of Education receives certified registers from the Personnel Cabinet that contain applicants with no designated minority status.

The Kentucky Department of Education's hiring is currently subject to the restrictions issued by Governor Beshear's executive order 2008-011. This order implements a process on how personnel actions are to be requested by the agencies and approved by the Governor and the Secretary of the Personnel Cabinet. Attached please find the relevant section of Executive Order 2008-011.

The following notations are designed to provide clarification for the report in its entirety:

- Full-Time Employee, for the purpose of this report, is defined as all KRS18A and all KRS161 employees.
- For the purpose of this report, **Leadership** is all non-graded, non-merit KBE/KDE employees; **Professional** reflects all positions, grade 15 and above, and **Support** includes all positions grade 14 and below.
- Appointments and separations are not mutually exclusive. As KDE employees are many times the successful candidates for positions, a single move may create a separation and

an appointment. For the purpose of this report, a separation includes: resignations, retirements, dismissals, transfers out of KDE, and deaths.

Attached are two charts, one showing overall and minority employment by bureau and office and the other showing minority employment historical data.
